COURSE OVERVIEW

This is an introductory course to the study of Home Economics where you will develop skills for daily living. The course is divided into 2 components, Food and Nutrition and Sewing and Textiles. In the Foods component of the course you will focus on developing healthy relationships with food. In the Clothing component, you will be introduced to the basic equipment and sewing techniques. You will begin to develop skills, knowledge and an understanding of the role that clothing and textiles play in our daily lives. The course will be 10 weeks in length.

GOALS

1. Goal 1 – Demonstrate Understanding of Safety and Sanitation
2. Goal 2 – Demonstrate Understanding of Health and Wellness
3. Goal 3 – Demonstrate Understanding of Human Relations
4. Goal 4 – Demonstrate Technical and Applied Skills
5. Goal 5 – Demonstrate Understanding of Design, Innovation and Information Technology
6. Goal 6 – Demonstrate understanding of Sustainability
7. Goal 7 – Demonstrate Understanding of Career Opportunities and the Skills Required

COURSE OUTLINE

All course goals will be spiraled throughout the course and covered in an ongoing nature.

Foods: Students will make items such as:

Muffins, cookies, taco bowls, apple turnovers, pretzels

Sewing: Students will sew the following items:

Buttons, curvy worm, emoji pillow

*sewing projects and cooking items may be changed at the discretion of the teacher

MATERIALS

Students are expected to bring the following materials to all classes:

-pen/pencil and binder with loose leaf or notebook with lined pages

EVALUATION

All course work and tests will be worth 100%. There will be both formative and summative assessments. In accordance with the Manitoba Provincial Report Cards, students will receive both a percentage grade as well as a numerical grade of 1-4.

This is a hands-on course and students are expected to try their hardest. If students fall behind in sewing, they will be required to come in at lunch to catch up. Students cannot take sewing projects home to work on them.

ADDITIONAL INFORMATION

1. If at any time you are unsure about an assignment it is the student's responsibility to ask for clarification.
2. Students are expected to be on time for class.
3. Students are expected to show respect to fellow students and teacher.
4. Students are responsible for all homework and notes which were missed while they were absent. Students are encouraged to ask a classmate upon returning to catch up on the materials covered during their absence.
5. If a student has an excused absence on the day of a test, they will write it on the day of their return, either in class or at lunch. If a student is away on the day an assignment is due, hand it in on the day of their return. Please inform the teacher if you plan on being absent.
6. Cell phones and iPods are not permitted in class.
