

Grade 4 Supply List 2022 McCreary School

Hello everyone! This will be the 2022-2023 school year supply list. I switched to this format a few years ago, and it has been popular because it takes away a lot of the work, while still allowing for some personal preferences.

There are 3 lists below. Instead of needing to get all of the supplies yourself, I will be instead collecting \$30.00 from every student on the first day of school. With this \$30.00, I will be going and getting the majority of the supplies needed for the school year. If wanting to pay by check, please make it out to "McCreary School Fund." Any leftover will be saved at the office to be used to resupply as needed throughout the year. I will be buying these supplies throughout the summer. The second list include supplies that I will not be picking up, as I know students tend to have personal preferences (scissor size, style of pencil crayon, etc). The third list contains the optional items. I am doing this in part to make the school supply shopping easier. If you have any questions, please contact me at staylor@trsd.ca. Thank you!

What I will supply:

Pencils, pens, highlighters, erasers, glue bottles, glue sticks, tape, a pencil sharpener for each student, sharpies, duotangs, loose leaf, scribblers, Kleenex, whiteboard markers, ruler and zip lock bags, and other general supplies as needed.

To Bring First Day On Your Own:

\$30.00

- 1 pair of scissors
- 1 pencil case/box
- 1 pkg of pencil crayons
- 1 pkg of washable markers
- 1 pair of headphones
- 1 reusable water bottle (not glass)
- 1 pair **non-streak** inside shoes
- 1 pair of gym clothes
- 1 bag for gym clothes

Optional Supplies:

Crayons
Doodle Pad

Mr. Scott Taylor – Grade 4 Teacher
